

# CALIFORNIA DASH DUSTER™

*The Original*

## AUTO AND HOME INTERIOR CLEANER

Now it's possible to take advantage of the technology that's revolutionized the way people take care of their cars in the form of a handy new device for home and workplace. The amazing California Dash-Duster® has specially wax-treated cotton strands that literally "lift" dust without scratching anything. And the unique compact, wedge-shaped Duster easily accesses hard-to-reach areas. Forget about spray waxes, dust cloths, feather dusters and the like. The Original California Dash-Duster® performs superbly and reliably for years. In fact, the "dirtier" it gets...the better it works!

- Permanent baked-on wax-treated strands
- No need to use spray waxes, etc.
- Effectively "lifts" dust with easy once-over
- Saves time, money and hassles
- 1000s of other uses at home or work
- Safe, non-toxic
- Backed by major promotional programs
  - National and local TV commercials
  - Point-of-purchase display material
  - In-store videos

Clearly, the sales potential is virtually limitless. And you can be secure in the knowledge that The Original California Dash-Duster® comes from the company known nationwide on TV for its popular line of car dusters.
