

- Wash your vehicle completely with car washing products in the shade if possible. Make sure all dirt is removed. Start drying before the water dries to reduce spotting
- Dry from the top down to minimize dripping.
- Keep the V-blade edge in contact with the surface and allow the flexible blade to mold to the shape of the vehicle. Only dry the surface with the V-blade or detailer edges.
- Use a little more pressure on ridges and peaks, and apply a little finger pressure to form the V-blade edge into grooves.
- Do not use on a dry surface and protect the V-blade edge from sharp areas, and protect it when not in use.
- Use the detailer edge for side mirrors and smaller areas, and the extender end for hard to reach surfaces.

**The Original California Drying Blade ®** is guaranteed to be free of defects in material and workmanship for 1 year from the date of purchase. Customer satisfaction is assured if you are not fully satisfied with this product. Return it within 30 days with proof of purchase for a full refund of the purchase price.
